

This manual should work for all platforms

This manual will help you to log on to the AthenaDesktop VDI environment (StudentDesktopAnywhere)

What do you need:

- Internet Browser

This manual is made assuming that you have already successfully configured your internet connection and that you are connected to the internet.

	<p>Step 1:</p> <ul style="list-style-type: none">- Start Internet Explorer (or equivalent) and proceed to the AthenaDesktop VDI website: http://athenadesktop.maastrichtuniversity.nl <p>Step 2:</p> <ul style="list-style-type: none">- Fill in your "User name" and "Password" and click "Log On"
	<p>Step 3:</p> <ul style="list-style-type: none">- Select the designated Desktop` <p>Step 4:</p> <ul style="list-style-type: none">- That's it !
