

# Get yourself a ClinicalKey account

You need a personal ClinicalKey account for:

- downloading book chapters and
- remote access via [www.elsevier.com](http://www.elsevier.com)

Once only: get yourself a ClinicalKey account via <https://www.clinicalkey.com/#!/registration>

## Register

Registration is quick and free. It allows you to personalize the Elsevier products to which you have access.

\* = Required. [Privacy policy](#).

The screenshot shows a registration form with the following sections:

- Your details**
  - First name \* (text input)
  - Family name \* (text input)
- Email and password**
  - Your e-mail address will be your username for these Elsevier products.
  - Email address \* (text input)
  - Password \* (password input)
- Additional profile details** (expandable section)
- I wish to receive information from Elsevier B.V. and its affiliates concerning their products and services
- I have read and understood the [Registered User Agreement](#) and agree to be bound by all of its terms. \*

At the bottom, there is a blue button labeled "Register >".

- Fill in personal name
- Fill in your institutional e-mail address. Your account name is based on your institutional e-mail address like this:

This screenshot shows the "Email and password" section of the registration form. The "Email address \*" field contains the example text "n.nnnnnnnn@maastrichtuniversity.nl". The "Password \*" field is filled with a series of dots. The text "Your e-mail address will be your username for these Elsevier products." is visible above the email field.

Or

This screenshot shows the "Email and password" section of the registration form. The "Email address \*" field contains the example text "n.nnnnnnnn@mumc.nl". The "Password \*" field is filled with a series of dots. The text "Your e-mail address will be your username for these Elsevier products." is visible above the email field.

- Look in your inbox for an email from ClinicalKey with a remote access activation link.
- Click on the link and wait patiently until a confirmation appears in your screen that activation was successful.
- You can (re-)activate remote access anytime, anywhere.
- Downloading book chapters only possible with ClinicalKey account.
