Investigation of Gallium Nitride Devices in

Authors: Blalock, Benjamin J. 1

Source: IEEE Transactions on Power Electronics, Jan 2012

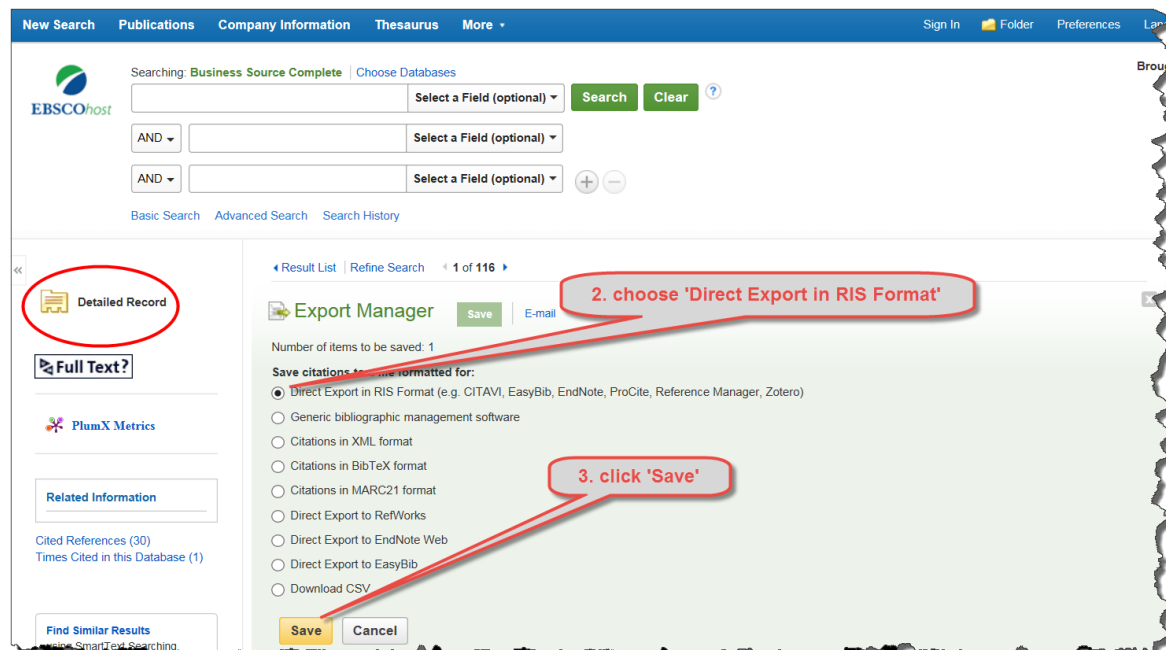

Document Type: Article

Subject Terms: *Finite element method
Electric properties of gallium nitride
Resonant inverters
Electric power conversion
Windings in electric generators

Export Manager

Number of items to be saved: 1

Save citations to be formatted for:

- Direct Export in RIS Format (e.g. CITAVI, EasyBib, EndNote, ProCite, Reference Manager, Zotero)
- Generic bibliographic management software
- Citations in XML format
- Citations in BibTeX format
- Citations in MARC21 format
- Direct Export to RefWorks
- Direct Export to EndNote Web
- Direct Export to EasyBib
- Download CSV

Save Cancel

2. choose 'Direct Export in RIS Format'

3. click 'Save'

When EndNote is already running, the reference will be exported to the opened library automatically. When EndNote is not running clicking 'Save' will force EndNote to start up, and the reference will be imported in the EndNote library which was last used.

7. click on 'Folder', or ...

8. click on 'Folder View'

The screenshot shows the EBSCOhost 'Folder Contents' page. The top navigation bar includes 'New Search', 'Publications', 'Company Information', 'Thesaurus', and 'More'. The right side has 'Sign In', 'Folder', 'Preferences', 'Languages', and 'Help'. The main content area is titled 'Articles' and shows a list of three items, all from 'IEEE Transactions on Power Electronics'. A red callout box labeled '9. select reference(s) to export' points to the 'Select / deselect all' checkbox. Another red callout box labeled '10. click 'Export'' points to the 'Export' button in the right-hand toolbar.

The screenshot shows the 'Export Manager' page. The left sidebar has 'Save: E-mail' and 'Number of items to be saved: 2'. A red callout box labeled '11. click 'Save'' points to the 'Save' button. The main area is titled 'Save citations as a file formatted for:' and lists several options. A red callout box labeled '12. choose 'Direct Export in RIS Format'' points to the selected radio button for 'Direct Export in RIS Format (e.g. CITAVI, EasyBib, EndNote, ProCite, Reference Manager, Zotero)'.

When EndNote is already running, the reference(s) will be exported to the opened library automatically. When EndNote is not running clicking 'Save' will force EndNote to start up, and the reference will be imported in the EndNote library which was last used.
